

To My Dear Patients and Friends,

It is with mixed emotions that I am writing to inform you of my upcoming retirement from Brush Dental. It has been an honour and privilege to be your dentist, and I have sincerely appreciated your confidence and trust by allowing me to care for your dental health.

After a long and careful search, I have chosen the right dentist to take over my dental practice – Dr. Stephanie McCorkill. Her kind and caring manner is closely aligned with my philosophy of care. With her experience and education, I am confident that you will continue to receive excellent dental care. Like me, Dr. McCorkill loves dentistry and is excited to meet you and continue serving your dental needs. She will be implementing some new techniques and treatments that will enhance your dental health.

While the announcement of my retirement may be sudden, I am committed to facilitating a smooth transition for Dr. McCorkill. I will continue to work on a part-time basis for the next while. We have worked hard behind the scenes to make this transition seamless, and having confidence in my successor has made it that much easier.

All the staff will continue in their jobs and are excited to work with the new doctor.

Thank you again for your trust, confidence, and friendship!

Chris Caruk
